JOURNAL OF THE BIOLOGICAL PHOTOGRAPHIC ASSOCIATION

INDEX TO VOLUME 25 — 1957

A

Anderson, Douglas C. 5, 136
Audio-Visual Methods in Use at the University of Utah, Newer 52

B

Baitz, Harold C. 161
Beiter, John J. 17
Biological Photographic Department, Economics of 66
Biological Photographic Communications 1
Books Useful in Medical Photography.. 16

C

Cameras by Field Units in Cancer Investigations, Notes on the Use of.. 45
Campbell, William H. 121
Cancer Investigations, Notes on the Use of Cameras by Field Units 45
Cardiac Pulse Duplicator, Photography of Heart Valves with the 169
Chapter News 186
Cinematic Study of Anatomy and Movements of the Larynx 169
Collins, Carter C. 114
Color X-Ray Image and Enhanced Contrast 114
Communication and Photography 6
Communications, Biological Photographic 1
Concept of Medical Illustration, A 121
Cooperation of Photographer and Biologist, New Opportunities for 2
Copying Radiographs for Lantern Slides, Prints and Display Transparencies... 109
Correlation of Films and Textbooks 18

D

Davis, Gene K. 5
Device for the Cinematic Study of Anatomy and Movements of the Larynx, A 153
Diazotype Film, Marking a Field on a Microscope Slide, By the Use of 161
Dockerty, Malcolm B. 168

E

Economics of a Biological Photographic Department 66
Eddy, C. Graham 58, 178
Electronic Flash in Medicine, The Use of 105
Everest, F. Alton 169

F

Fellows of the Association 104, 196
Films and Textbooks, Correlation of ... 18
Foster, J. Edwin 6

G

Gibson, H. Lou 1, 28
Gott, Preston F. 140
Gross Pathologic Specimens Under Fluid, Photography of Selected 112

H

Hargett, G. Keith 169
Health by Visual Methods, Promoting.. 47
Heart Valves with the Cardiac Pulse Duplicator, Photography of 169

I

Insects, Speedlights in the Color Photomacrography of Living 136

J

Julin, Leonard A. 9

K

Kent, Fred W. 83
Kent, James A. 83
Koeck, George P. 45
Kolvoord, R. A. 40
Kuzma, Anthony M. 65

L

Larynx, A Device for the Cinematic Study of, Anatomy and Movements of the 153
Lubin, David 144

M

Mackay, R. Stuart 114
Marking a Field on a Microscope Slide by the Use of Diazotype Film 161
Making Motion Pictures of Neuropsychiatric Patients 130
Massopust, Leo C. 97, 168
Medical Illustration Service in the Veterans Administration Organization of. 58
Medical Illustration, A Concept of 121
Medical and Biological Illustrations..152, 184
Medical Photography in Action 28
Medical Texts, The Place of Three Dimensional Illustration Accompanying 25
Method for Producing Impromptu Surgical Motion Picture Films, A 175
Mineo, Joseph E. 175
Moment, Gairdner B. 2
Motion Picture Films, A Method for Producing Impromptu Surgical 175

N

Nasvik, Harland P. 168
New Opportunities for Cooperation of Photographer and Biologist 2
New Products 146, 194
Newer Audio-Visual Methods in Use at the University of Utah 52
Neuropsychiatric Patients, Making Motion Pictures of 130
Neuropsychiatric Photography 96
Notes on the Use of Cameras by Field Units in Cancer Investigations 45

O

Officers and Committees 100
Ollerenshaw, Robert 101
Organization of the Medical Illustration Service in the Veterans Administration 58

P

Patients Are People 178
Patton, George H. 25
Photography, Communications and 6
Photography in a Large Medical Institution, Use of 9
Photography in Action, Medical 28
Photography in the University, Uses of. 83
Photography of Selected Gross Pathologic Specimens Under Fluid 112
Photographs by B.P.A. Members 94
Photography of Heart Valves with the Cardiac Pulse Duplicator 169
Photographic Timer for Short Exposures, A 181
Photomacrography of Living Insects, Speedlights in the Color 136
Place of Three-Dimensional Illustration Accompanying Medical Texts 25
Power Control Unit for Photographic Work, A Versatile Variable Voltage.. 140
Product Data 98, 146, 194
Promoting Health by Visual Methods... 47

R

Radiographic Facsimile, Simple Method for Making 144
Radiographs for Lantern Slides, Prints and Display Transparencies, Copying. 109
Rosenberg, Albert J. 18
Rothenberger, James H. 66

S

Sequences, Statistics, Slides and 40
Shelton, Ralph L., Jr. 153
Sims, Edward K. 46
Simple Method for Making Radiographic Facsimiles 144
Slides and Sequences, Statistics 40
Speedlights in the Color Photomacrography of Living Insects 136
Statistics, Slides and Sequences 40
Sustaining Members 104, 196

T

Taylor, William J. 109
Textbooks, Correlation of Films and ... 18
Three-Dimensional Illustration Accompanying Medical Texts, The Place of. 25
Timer for Short Exposures, A Photographic 181
Tribe, Howard E. 52, 153

U

Use of Electronic Flash in Medicine ... 105
Use of Photography in the University.. 83
Use of Photography in a Large Medical Institution 9

V

Versatile Variable Voltage Power Control Unit for Photographic Work 140
Veterans Administration, Organization of the Medical Illustration Service in the 58
Vetter, John P. 181
Visual Methods, Promoting Health by.. 47

W

Wallace, F. D. 96, 130
Were Your Entries Accepted 167
Winburne, Leroy D. 112

X

X-Ray Images and Enhanced Contrast, Color 114

Y

Your Association 185
